# DAVIT CRANES

at a *GLANCE*

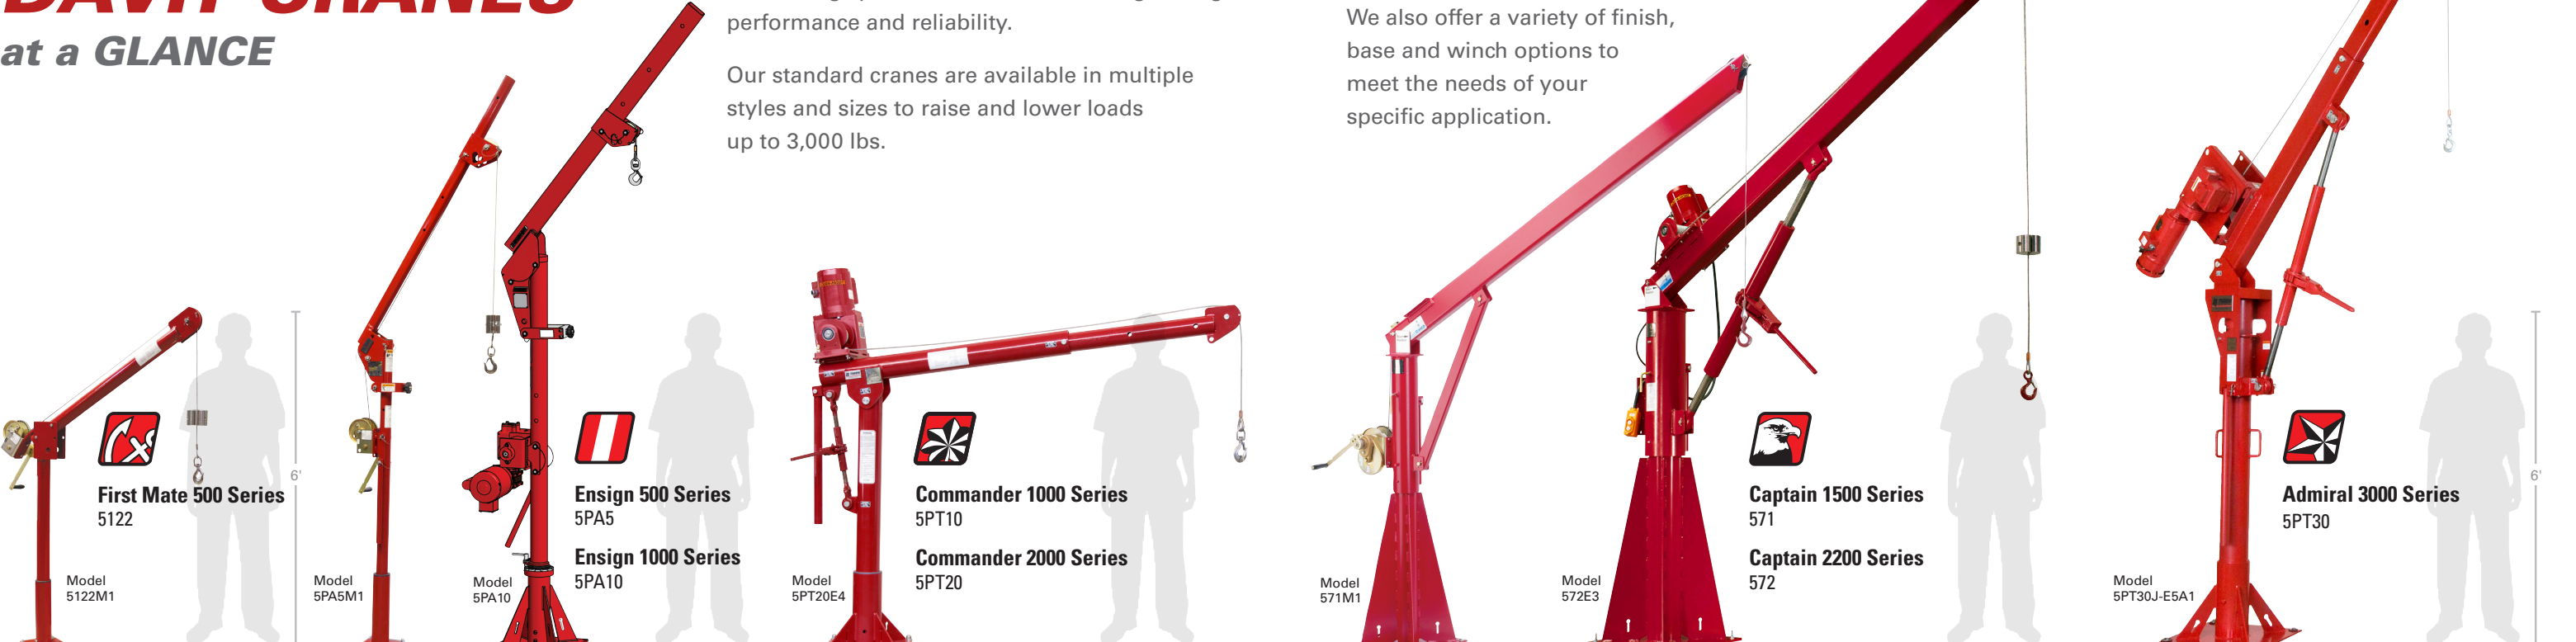

No one knows cranes like Thern. We build our stationary davit cranes and portable davit cranes to exacting specifications to ensure long-lasting performance and reliability.

Our standard cranes are available in multiple styles and sizes to raise and lower loads up to 3,000 lbs.

*Elevate Your Expectations*

Choose a crane that's built to last lift after lift.

We also offer a variety of finish, base and winch options to meet the needs of your specific application.
